# Workshop on MOOC Roadmap and Action Plan @Ministry of Education

A workshop on Massive Open Online Course (MOOC) Roadmap and Action Plan was held on the 3$^{rd}$ October 2019 at the Department of Higher Education, Ministry of Education. The workshop was chaired by Yang Berusaha Assoc. Prof. Dr. Wan Zuhainis Saad from Academic Excellence Division.

The workshop was delegated into a few themes: Graduate Employability, Internationalization, Artificial Intelligence and Big Data, Scholarly Teachers and Life Long Learning, and Relations. The outcomes of the discussion will feed into the national MOOC roadmap.

The essence of the workshop were collaborations between public universities, government and non-government agencies, credit transfer, micro-credentials and digital badges for internal MOOC, and the way forward to empowering MOOC commercialization. The national MOOC roadmap will be announced when ready next year.

Universiti Tenaga Nasional was represented by Dr. Thaharah Hilaluddin, Dr. Jehana Ermy Jamaluddin, Rahmat Abdul Wahid and Ahmad Rafiq Mohd Khairuddin.

# TLC Short Course
# Moodle 101: Assessment
## By Dr. Jehana Ermy Jamaluddin

TLC has organized a short course on "Moodle 101: Assessment" facilitated by Dr. Jehana Ermy Binti Jamaluddin on 11 October 2019. The course aimed to provide hands-on skills on assessment in Moodle. The participants were exposed to the Moodle Activity Type for class management, assignments, quizzes, lessons and surveys.

The session focused on basic skills to create assignments and quizzes. On quizzes, various types of quiz had been discussed such as multiple choice, short answer, matching, and basic calculation. As for assignments, the participants were guided to create an online assignment; from uploading the instructions, to analysing and grading the submitted files.

# Post-Retreat Workshops

*T*LC were also involved in several post-retreat workshops organized by the Deputy Vice Chancellor (Academic & Research) to embrace the new initiatives taken at the university level. Among the academic workshops were Academic Workshop 1: Flexible KPI (30th September 2019), and Academic Workshop 2: Future Ready Programmes (4th October 2019).

The workshop on Flexible KPI discussed the previous UNITEN Multitrack Initiatives (2017—2018) as a basis. In the recent workshop, the elements and overall framework were reviewed. The workshop aims to develop a KPI framework that is more flexible and customizable to suit various academic roles and functions at the university. Several additions include ala-carte menu for customization. Also, proposed was for administrative staff (i.e. executives, managers and above) to have aligned KPI for MyRA ranking purposes.

The second workshop on Future Ready Programmes aims to develop academic programmes that prepare future graduates with 21st century learning. Included in the workshop are discussions on Micro-credentials, ODL, TVET and APEL, and benchmarking with other universities.

The workshop will be followed through with definitions, action plans and implementations.
